

JOB VACANCY ANNOUNCEMENT

INTERNAL, ESC AND NEWSPAPER

HOSPICE-BRIDGE NURSE (PHNII)

PERFORMS: Provides skilled assessment and nursing care to patients diagnosed by physician to be terminal (life expectancy of 6 months or less). Also coordinates physical aspects of terminal patient care, working in concert with Hospice team who will address psycho-social, emotional and spiritual needs of terminal patients and families. Provides care also for Bridge patients. Patients may not be Hospice appropriate due to life expectancy & their desire to continue aggressive treatment. Forty hour work week excluding on call. Daily schedule may vary. Work schedule determined by patient's needs and MD plan of care.

REQUIREMENTS: RN licensure by NC Board of Nursing, valid NC driver's license and reliable transportation. B.S.N. which includes PHN rotation and one year PHN experience; or graduation from accredited School of Nursing with two years experience including one year PHN; or equivalent combination education and experience. Pre-employment drug screening and criminal background check.

SALARY RANGE: \$42,118.00

CLOSING DATE: Until Filled
